**RECOMMEND:**

- \* Until the World Handicap System is learned & more comfortable, place handicap ticks marks for ALL players handicaps.
  - > Tick marks from hardest handicapped holes to the easier holes.
  - > Men & Women will have different hole handicap ratings, so please make sure that you are using the correct rating for each player.
- \* Write ALL stroke counts for each hole for ALL players, as these counts will determine the WIN/LOSS of each hole in the match.
- \* Reporting GHIN handicaps will use the WHS formula: **PAR+DoubleBogey+HandicapStrokes**
